4	Mr. Pham Phi Dieu	05/05	100%	
5	Mr. Huynh Trong Thuy	05/05	100%	

3. Supervising the Board of Management by the Board of Directors

Monthly and quarterly, the members of the Board of Directors (BoD) of the Company are provided with detailed reports on business operations progress, financial status, emerging issues, and plans for the upcoming stages. These reports are presented by the Board of Management, enabling the Board of Directors to have a comprehensive overview of the Company's activities.

Additionally, the Board of Directors also discusses long-term strategies, potential risks in the business operations, and corrective measures if necessary. These reports serve as the basis for the Board of Directors to make timely and sound decisions, ensuring the Company maintains stability and sustainable development.

The Board of Directors conducts regular monitoring activities, in full compliance with legal regulations, the Company's Charter, and internal regulations. Board of Directors members not only participate in direct inspection and supervision but also receive feedback from the Board of Management and the Board of Supervisors, ensuring transparency and effectiveness in the Company's management and operations

Supervisory activities are carried out by the Board of Directors' members in compliance with the Law and the Company's Charter.

4. Activities of the Board of Directors' subcommittees (if any): None

3. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors:

The Board of Directors, the Board of Management and the company's management have performed their assigned functions and duties in accordance with the provisions of the Enterprise Law, the company's Charter and the resolutions of the General Meeting of Shareholders.

The resolutions and decisions of the Board of Directors were issued in compliance with their functions and authority, adhering to the company's Charter, Enterprise Law and other legal regulations.

The decisions made by the Board of Management were issued lawfully and within their authority, ensuring the rights and interests of the company and its shareholders. There were no conflicts of interest involving related parties, and the Supervisory Board did not identify any irregularities in the management and operations carried out by the Board of Management and other management personnel in the company.

4. The coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers:

The Supervisory Board performs its supervisory duties over governance and executive activities by fully participating in the regular and extraordinary meetings of the Board of Directors, as well as in the company's briefing sessions. Additionally, it oversees the quarterly business operations of the company, proposes the selection of the auditing firm for the 2024 financial statements. The Supervisory Board has received support from the Board of Directors and the Board of Management through daily exchanges on arising issues. As a result, the Supervisory Board promptly grasps the actual business and production situation, provides feedback to the Board of Directors and the Board of Management, and contributes to decision-making and achieving set objective.
